

FNR AI - Data Processing Agreement

Version 1.0 placeholder - April 2026

This document is a placeholder for the FNR AI Data Processing Agreement (DPA) between Enortic, Inc. (Processor) and the Customer (Controller).

The final, signature-ready DPA is available on request and covers:

- Parties (Controller / Processor) and the subject of processing
- Categories of personal data and data subjects
- Purpose, nature, and duration of processing
- Sub-processors: AWS, Cloudflare, Stripe, OpenAI, Anthropic
- Technical and organizational security measures (Article 32 GDPR)
- Data subject rights assistance and breach notification process
- International transfer mechanism (SCCs) and KVKK alignment
- Audit rights and termination / data deletion procedure

To request the signed PDF version, please contact:
